## HOW THE BASEBALL TWIRLERS ARE WORKING

The initial games of the Sugar Cane League (name the Honolulu League is known by on the coast) were a topic of discussion during the last few days. The season opened up with a cracking good game between the Elks and Punahou. Although the second game was a runaway for the Reds still some good slugging was seen.

Barney caught the sphere on the trademark for a four sacker, losing the ball in the pumpkin vines. This was the only home run of the day.

"Home Run" Bob started out by banging the ball up against the left field fence. He will probably put it over before the season ends.

The Desha Brothers are having their troubles. George missed a line hit drive in left field. He stepped into a deep water faucet hole. The scorer chalked up an error against Eddie, the pitcher. This error should go up against the ground keeper.

That little play between Hampton and Cusack, when Hampton bunted while Cusack was sprinting home, was a neat piece of work. Such work will land the Elks on the top of the list. En Sue was there with the quick step Saturday. He certainly showed on the bases.

Bushnell the crack little short stop is out of the game. Baseball interferes with his business. The Puns will miss him.

Steere, the "old reliable," will be back in harness Saturday. He will wear the Punahou uniform and guard the third cushion.

The H. A. Cs began again to swat the ball hard. These hitters will be hard to beat.

Kila, the new backstop for the Reds, is a good man. His work will be watched with interest.

Reuter will probably do the slab work for the Kams on Saturday. It will probably be hard to find a man that can hold his speedy delivery.

Saturday's crowd was not without the usual rowdy, who thinks it is smart to sit in the stand and hoot at some player who is there to play for the amusement of the spectator. This is amateur baseball in which every player should be treated with respect by the benches. The management should try some means to correct this evil. Rooting is all very proper but personal remarks should be squashed.

**WASEDA VS. STANFORD.**

The first game in the international baseball campaign was held yesterday afternoon on the Stanford campus. When the smoke of battle had disappeared it was found that the colors of the valiant diamond representatives of the Japanese Empire, who had been sent over to this country by the Mikado to teach Uncle Sam's 'varsity balltossers how the national game should be played, were trilled in the dust. While the little brown men cannot handle the leather-covered ball with the same dexterity that they propel the cannon ball, their work yesterday was little short of marvelous.

Barring a desire to keep the ball continually in motion when the opposing side had men on the bases, their work in the field was very good, most of the misplays being wild throws due to over-anxiety. This fault will undoubtedly be overcome by the diminutive Japs when they have bucked up against a few more American teams.

They are woefully weak with the willow, however, notwithstanding that they have a good eye at the plate. Only six men swished the empty air in a futile attempt to locate the sphere, which demonstrates that they can put the wood against the horsehide. Most of their drives were of the scratchy variety, as but one or two of the players have acquired the knack of swinging freely at the ball. On the bases the Japs are veritable demons and the manner in which they tore up the earth in sliding to the cushions surprised the onlookers. Taking it all in all the Waseda team put up an excellent article of baseball considering all the disadvantages they had to contend with. Following is the summary:

### NEW CLUB FORMED.

A large and enthusiastic baseball meeting was held yesterday afternoon at 5 o'clock at the Honolulu Iron Works to reorganize the "Employees' Baseball Club" of the Works for the Winter League. There being a number of new ball-tossers lately arrived from the mainland and employed at the Honolulu Iron Works, the meeting was somewhat livelier and more enthusiastic than usual. The members of the newly organized club are as follows: E. E. Davies, C. J. Dillon, G. W. Gribble, Harry Woods, T. F. Honan, J. P. Macaulay, A. G. Swanson, Tom Pryce, A. R. Hussey, C. R. Roe, L. Pimental, S. Macy, P. Rodriguez, M. Freitas, Kamana, David Ke, A. Carvalho, L. S. Alves, J. Hiram, Ben Cruz, H. Honan.

C. R. Roe was elected Captain and Manager for the season.

### NOTES.

Pitcher Bradsher of Trinity College at Durham, N. C., shut out Mercer College the other day and in doing so performed some great pitching feats. For ten innings only eight men touched the ball with the bat and not a hit was made off him or a run scored and only one man reached first base. Bradsher struck out twenty-two men.

Perrine who played ball here for the Elks in 1903, and who is now umpiring on the Pacific Coast was assaulted and badly beaten around the head by a ball-player who took exception to Perrine's decisions. The player was expelled from the League.

### Golf.

Sunday will be one of the largest golf days that Haleiwa has ever seen. Nearly every one on the island who can swing a golf club will enter the tournament that will be held at the country resort on the above mentioned day.

The beautiful silver cup will again be played for and the lucky player who succeeds in winning will certainly have the pleasure of a rare prize. Prizes for the best gross score and second place will also be given.

An automobile party will be the guests of the hotel on Sunday. This party is going to make a trip around the island and they will spend a few hours at Haleiwa.

On Saturday afternoon there will be an eighteen hole medal play handicap tournament at Manoa. A large number of entries have been made for this competition and no doubt some lively play will be the result. On June the 11th, there will be a foursome competition at the Manoa Club.

### RHEUMATISM AND STOMACH CATARRH CURED.

DR. McLAUGHLIN—Dear Sir: One could not imagine the siege of suffering I passed through from stomach trouble and rheumatism. I was subjected to severe drug treatment, stomach pump treatment and diet treatment, without the least relief. I grew disgusted with them all, and as a last resort tried your belt two years ago. In three days I could fling away my cane and in three months was a new man, entirely cured, and felt better than I had for years. Several of my friends have since purchased your belts. I would not part with mine for \$1000 if I could not get another. Yours truly,

JOHN B. GUAY, Tomales, Marin Co., Cal.

## YACHTING SEASON OPENS SATURDAY

On Saturday night and Sunday next the members of the Hawaii Yacht Club will foregather at the Peninsula clubhouse to celebrate the opening of the yachting season. This was decided at a meeting of the directors held at noon yesterday. The chowder will be held on Saturday night for the members and their friends and ample sleeping accommodations will be furnished, so that all may remain over until Sunday, when there will be two yacht races on the Pearl Harbor lochs.

It is proposed to run the first class yacht race from the clubhouse to the mouth of Pearl Harbor, around the bell buoy off Honolulu harbor, and return to the clubhouse at the Peninsula. The handicaps for the second class races will be decided on Saturday evening.

Commodore Picker is looking forward to a brilliant opening for the yachting season.

### The Ring.

Marvin Hart of Louisville, who defeated Jack Johnson, the colored heavyweight, in San Francisco recently, has been matched to fight John Wille, the Chicago light heavyweight, in a six-round bout in this city on May 8.

Bat Nelson has been offered \$450 to box three bouts in May. Willie Lewis, Willie Fitzgerald and Kid Herman have been picked to meet him, and it must be admitted that these three are far from dead ones. As a matter of fact, they are about the best men of their class boxing at Philadelphia. Nelson will do a few days' work at Larkspur before he departs. To box six rounds it is not necessary for a boxer to kill himself training, especially a fellow like Nelson, who always takes the best care of himself. After filling his Philadelphia engagements, Nelson will go to Butte, where he will box Herrera on June 13 (Miner's Day).

"I am sorry to say it, but I am afraid poor Terry McGovern will never be himself again," said Young Corbett yesterday. "When I saw him in New York he acted very badly. Sam Harris had an actor in the show by the name of George Cohen, and McGovern became very jealous of him. McGovern got it in his head that he could act better than Cohen, and Terry used to devote a lot of his time imitating him. Imagine Terry trying to crack funny jokes and acting the part of a comedian. I understand he went back to the race track after he escaped from the asylum in Connecticut and started in to bet on the races. I understand that the bookmakers barred him and wouldn't take his money, which was only right. When a man is in his right mind he hasn't any too many brains to play the races."

Poor Dave Barry got his at Tacoma on May 2. He went up against Tom Burns of Chicago. Dave fought a great battle but lost on points. This gives Barry a set-back that will be hard to overcome.

### Two Good Pulls.

Saturday night will be a strong one in the tug-of-war tournament. The first pull will be between Roads & Bridges and the Fifth District. The Roads and Bridges have most of the old Pacific Hardware team. This team, as every one knows, was one of the strongest ever produced in Hawaii. The Fifth District has a heavy team and will give the old champions a hard fight. The second pull will be between the Kanikau and the Kanikauvea teams. Both these teams are composed of natives and when they start there will be much to look at. Betting on this last pull is sure to be extremely heavy. At the present time it is hard to pick a winner.

Interest is growing so rapidly in the tug-of-war that the Japs and Chinese are forming teams and intend to have it out on the cleats some time soon.

## "JUST WHAT I WANT"

"I am nervous and run down now, but I will be all right in a week."

**IT CURES NERVOUS MEN. CURES BACK PAINS. CURES STOMACH TROUBLES.**

Dr. McLaughlin's Electric Belt is a popular remedy nowadays. It is the only remedy which will cure while you sleep. Just put it on when you go to bed, feel the warm, glowing vitality going into your weakened parts and restoring their life and vigor, and not a moment's inconvenience.

And you don't have to dose your poor stomach with nasty drugs. This shows what it does.

## DANGER IN DELAY.

PROMPT ACTION MUST BE TAKEN TO PRESERVE HEALTH.

Kidney troubles are dangerous because they creep on so stealthily that they get a firm grip on the victim before he is aware of it. They manifest themselves in such varied forms that they are easily mistaken for other diseases.

Make no mistake! Do not delay! Treat the kidneys now!

The kidneys are sick and will not get well unless you use a kidney medicine. Doan's Backache Kidney Pills is the certain, safe and prompt remedy for the kidneys only. It cures. It has cured people right here in Honolulu.

A. J. Cahill, of Fort street, this city, night watchman in the employ of Messrs. T. H. Davies & Co., Ltd., says: "Whilst a young man I was a sailor and at one time worked for the Inter-Island service. I was, however, obliged to give up sea life on account of severe suffering from my back and kidneys. For this I had tried various remedies, but the one which restored me to health was Doan's Backache Kidney Pills—procured at Hollister's Drug Store. They relieved me completely after years of suffering. If any one desires further particulars he may apply to me. I am to be found at Van Dorn's Ship Chandlery, Fort street."

You should get the same medicine which helped Mr. Cahill. See that the full name, DOAN'S BACKACHE KIDNEY PILLS, is on the wrapper and refuse any imitation.

Doan's Backache Kidney Pills are sold by all chemists and storekeepers at 50 cents per box, six boxes \$2.50, or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.
